7. Gelen kod açılan ekrana girilir ve “Verify” butonuna tıklanır.

The screenshot shows the Google account verification page for an email address. At the top, the Google logo is displayed. Below it, the heading "Verify your email address" is followed by the instruction: "Enter the verification code we sent to *****@std.medipol.edu.tr . If you don't see it, check your spam folder." A text input field contains the code "791916". Below the input field, there are two buttons: "Back" on the left and "Verify" on the right. A mouse cursor is pointing at the "Verify" button. At the bottom of the page, there is a language selector set to "English (United States)", and links for "Help", "Privacy", and "Terms".

8. Açılan ekranda cep telefon numarası girilir ve “Next” butonuna tıklanır.

The screenshot shows the Google account verification page for a phone number. At the top, the Google logo is displayed. Below it, the heading "Verify your phone number" is followed by the instruction: "For your security, Google wants to make sure it's really you. Google will send a text message with a 6-digit verification code. Standard rates apply". A dropdown menu shows the Turkish flag (TR) and a text input field labeled "Phone number" containing a masked number "*****". Below the input field, there are two buttons: "Back" on the left and "Next" on the right. A mouse cursor is pointing at the "Next" button. To the right of the input field, there is an illustration of a shield with a lock, a red balloon, a laptop, a smartphone, and a birthday cake. Below the illustration, the text "Your personal info is private & safe" is displayed. At the bottom of the page, there is a language selector set to "English (United States)", and links for "Help", "Privacy", and "Terms".

9. Cep telefonuna gelen doğrulama kodu açılan alana girilir ve “Verify” butonuna tıklanır.

Privacy and Terms

To create a Google Account, you'll need to agree to the [Terms of Service](#) below. In addition, when you create an account, we process your information as described in our [Privacy Policy](#), including these key points:

Data we process when you use Google

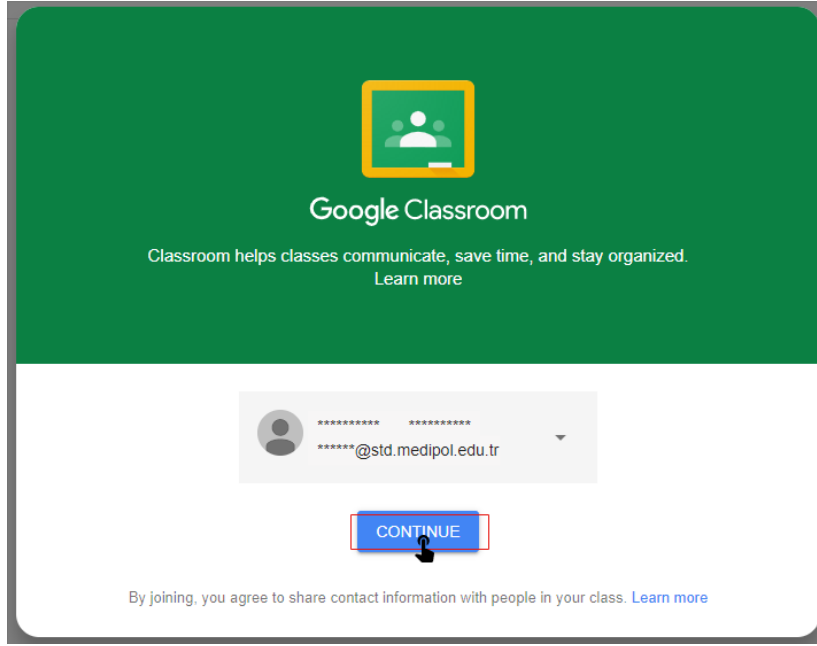

- When you set up a Google Account, we store information you give us like your name, email address, and telephone number.
- When you use Google services to do things like write a message in Gmail or comment on a YouTube video, we store the information you create.
- When you search for a restaurant on Google Maps or watch a video on YouTube, for example, we process information about that activity – including information like the video you watched, device IDs, IP addresses, cookie data, and location.
- We also process the kinds of information described above when you use apps or sites that use Google
