This image shows a video conference interface. At the top, there is a navigation bar with arrows pointing left and right, the number '1 / 51', and a button labeled 'Sunucuya'. Below this, there are four participant thumbnails arranged in a row. The central thumbnail, which belongs to the speaker 'Neda T.', is highlighted with a purple border. The other three participants are 'Hacer K.', 'Gülnur E.', and 'Ai'. Below each thumbnail, the participant's name is displayed. At the bottom of the screen, there are several control icons: a video camera icon with a slash (indicating video is off), a microphone icon with a slash (indicating audio is off), a speaker icon (indicating audio is on), a three-dot menu icon, and a red 'Call' button.
