

Transportation and Parking Lot

Cemile Sultan Groves, where graduation ceremonies will be held, does not have sufficient parking lot to handle the vehicle traffic that will occur during the ceremonies. You are kindly requested to use public transportation vehicles and plan your transportation considering the ceremony times.

For our guests who will use taxis;

There are two entrances to Cemile Sultan Groves.

1. The entrance gate on the Beykoz-Üsküdar coastal road is far from the ceremonial venues. For this reason, there will be shuttles to take our guests to the ceremony venues. Vehicle exit is prohibited from this door.

2. The entrance gate located on the connection between Ömürtepe Hill and Dr. Özdeş Street is very close to the ceremonial venues, please give the address of this entrance gate for your transportation by taxi. Vehicle entry and exit can be done through this door.

Location: <https://maps.app.goo.gl/zcxecMgVcdNPiKq97>

For Personal Vehicles.

The parking lot located on the South Campus of our university can be used temporarily. However, you will still need to use public transport (taxi) between the Campus and Cemile Sultan. You can get service from the taxi stands around the campus. Campus and Cemile Sultan Groves are 15 minutes away by car **in case of no traffic.**
