GENERAL ANNOUNCEMENTS

■ Introductory Design - I classes and seminars will be held at the school at the specified times and places on Monday, September 26. On Tuesdays and Wednesdays, students will go to the specified locations on their own and will visit and examine the areas with the guidance of the instructors in charge there. (On Tuesday, Interior Architecture English students will attend the Technical Drawing - I course at the school)

■ On Monday, homework will be given about field trips in Introduction to Design - I course. Participation in field trips are mandatory.

■ On Thursday (September 29) and Friday (September 30), students will attend their classes at the school based on their weekly schedules.

■ Orientation program will end at the end of the first week. Starting from the second week, students will attend their classes according to their weekly schedule. On Thursday of the 2nd week, there will be the Dean Opening Speech and the Introduction of the Faculty Departments at the above-mentioned time and place.
