

The purpose of this survey is to find out about the opinions and ideas of our students for use in quality improvement processes. The survey includes your personal data primarily and the questions regarding your assessment of quality processes secondarily. There are 5-point Likert ratings in each survey item to reflect your satisfaction levels. Please indicate the items according to your satisfaction level. You'll remain completely anonymous. You may also indicate your opinions and suggestions in the last section.

Your responses to this assessment are strictly confidential.
We thank you kindly for your cooperation and support.
