

Istanbul Medipol University, School of Pharmacy Göztepe
Mah., Atatürk Bulvarı No: 40 Beykoz/İSTANBUL

To whom it may concern,

Istanbul Medipol University School of Pharmacy students are required to do a 6 months internship during their education at approved institutions. First of all, we would like to thank you for your cooperation and support that allowed our student to do an internship at your pharmacy/institution.

The student is expected to attend actively during the internship period. The student is covered under the insurance policy for the duration of internship. The internship should be planned according to the internship learning objectives indicated in the internship logbook and our website. You are requested to evaluate and approve all reports written by the student in the Internship Approval Form/Logbook. All relevant sections in the internship approval form/ logbook should be filled, stamped and signed. Your observations should be written in the "Internship Evaluation Form". This form should be signed and sealed in an envelope for confidentiality, and given to the student.

Thank you for your support and cooperation.
