

INTERNSHIP CHART

Students are required to submit the application form and approval form related to their internships to the Faculty Secretary.

The Internship Application Form from the website of the faculty is filled and approved by the official in the intended place of internship. (Get occupational health and safety training and certificate beforehand)

A copy of the Id card is added to the Internship Application Form for health insurance

The relevant documents are submitted to the Faculty Secretary before the end of the spring semester. (09 June 2022)

Students continue their internships on a regular basis in line with the 'Internship Learning Goals'

Student records all activities done during the internship on the Internship Approval Form and approved by the relevant official. Internship Evaluation Form is filled out by the relevant official. These two forms are collected in a closed envelop.

Students who complete their 180-day internship (IT- I, II, III, IV) take the oral/written exams at the end of the fifth year.

The closed envelop is submitted to the Faculty Secretary in the first month of the fall semester.

Important Information

- In order for the internship process to be smooth and efficient, it is recommended that all students read the Internship Directive and Internship Learning Goals available on the faculty website.
 - To improve the efficiency of the internship, Internship Learning Goals and Internship Evaluation Form should be given to the official at the place of internship in advance.
 - * The duration of the internship is not calculated as a working day, an internship for 1 month is accepted as 30 days.
 - * The minimum duration of an internship period is 1 month.
 - * There is no internship for 1st year students, the internship duration for: 2nd year students (IT-I) is 1 month; 3rd and 4th year students (IT-II & III) is 2 months; 5th year students (IT-IV) is one month during the spring semester.
 - * Internship dates are announced in the spring semester of each academic year and the starting dates are the same for all students irrespective of the duration of their internships.* All internship documents must be ink-signed. * Students can be audited by the internship commission during the internship period.
 - * In pharmacy internships, the head pharmacist must have at least 5 years of community and/or hospital pharmacy experience.
- 2022 summer period internship begins on 18 July; ends on 17 August for the 1-month and 17 September for the 2-month internships.
