

PART: WRITING

Choose **ONE** of the following topics and write a well-organized **ESSAY** by using **250 – 400 words including an introduction paragraph with a thesis statement, body paragraphs (at least 2) with specific reasons and examples, and a conclusion paragraph.**

1. Many people believe that women make better parents than men and therefore they have the greater role in raising children in most societies. Others claim that men are just as good as women at parenting. Write an essay expressing your point of view. Give reasons and examples of your opinion.
2. Although many things we use in our daily life is a gift of technology and it is almost impossible to go on our live without technology, it has also caused severe damage to our communication skills. What are the advantages and/or disadvantages of technology in today's communication?
3. Many people believe that city life is not fitting for children to grow up and that's why many people move to rural areas. Compare and contrast raising a child in a big city and in a rural area.
