IMU Double Major and Minor Programs Directive, Article 4, Paragraph 4:
 Students may not be enrolled in more than one second major program at the same time. However, students may be enrolled in a second major degree program and a minor program simultaneously.
 Students designated as principal candidates are required to complete their final registration through the Student Affairs Office between September 7–9, 2026.
 Students designated as reserve candidates are required to complete their registration through the Student Affairs Office between September 14–16, 2026.
