1) Child Development Department 2022-2023 Orientation Meeting

At the beginning of each academic year, an orientation meeting is held for first-year students joining our Department. During the meeting, students are provided with information about the Department's educational process, academic procedures, and university life to support their adjustment to their new learning environment. The orientation meeting for the 2022-2023 academic year was held on October 4, 2022.

2) Child Development Department 2022-2023 Yılı Welcome Teas

At the beginning of each academic year, following the orientation meetings, the Medipol Child Development Student Society organizes a traditional welcome and meet-and-greet tea for first-year students joining our Department. The event provides students with an opportunity to meet one another, the Department's academic staff, and members of the Department, supporting an enjoyable start to university life and the new academic year. The meet-and-greet tea for the 2022-2023 academic year was held on October 4, 2022.

3) Barrier-Free Games

On 2 December 2022, the “Barrier-Free Games” event was held and was open to the participation of all students at our University. As part of the event, various games were designed to raise awareness of different disabilities. Through games played with their eyes or ears covered or with their movements restricted, participants had the opportunity to develop greater awareness of accessibility, individual differences, and social participation.

4) A Journey from Cognitive Processes to Academic Skills Seminar

At the “A Journey from Cognitive Processes to Academic Skills” event held on 20 December 2022, Associate Professor Tamer Ergin met with our students. The event addressed the role of cognitive processes-such as attention, memory, and information processing-in the development of academic skills and their effects on the learning process.

5) Child Development Career Days I

The inaugural Child Development Career Days was held on 25 May 2023, bringing together our students with Child Development Specialist Beyza Nur Akkurt (Haydarpaşa Numune Hospital), Child Development Specialist Fırzuze Bostancıoğlu (İz Child Development and Counseling Center), and Child Development Professional Ravda Öz (Ministry of Family and Social Services). Our guests shared their professional experiences and provided insights into the roles undertaken by child development professionals and the career opportunities available in healthcare, counseling, and social services.

6) Children's Yoga Seminar

On 12 June 2023, Children's Yoga Instructor and Author Başak Bodur met with our students. The event addressed the fundamental principles of children's yoga, age-appropriate yoga poses and breathing exercises, and the potential contributions of these practices to children's physical, mental, and social-emotional development.

7) Child Development Department 2022-2023 Professional Oath Ceremonies

At the end of each academic year, the Department of Child Development holds a Professional Oath Ceremony for fourth-year students. By taking their professional oath before graduation, students affirm their commitment to the ethical principles and professional responsibilities they will undertake as child development specialists. We congratulate our students as they approach graduation and wish them every success in their professional careers. The professional oath ceremonies for the 2022-2023 academic year was held on June 23, 2023.

8) Child Development Department 2022-2023 Farewell Teas

At the end of each academic year, following the Professional Oath Ceremony, the Medipol Child Development Student Society organizes a traditional Farewell Tea for fourth-year students. Attended by the Department's academic staff, the event brings students and faculty members together before graduation to reflect on and share meaningful memories from their years together. The farewell teas for the 2022-2023 academic year was held on June 23, 2023.
