

## ERASMUS+ KA131 2024 PROJECT PLACEMENT RESULTS

- For the 2024 academic year, out of the students who applied for the mobility of study and were eligible to go, 222 students were successful in their Proficiency exam and were entitled to be placed in their choice.
- The **notification** dates of the students who will go to the other Universities within the scope of **fall and spring semester** education are **different** for each University. You can reach the nomination dates of the University you are settled in from the contracted Universities [list](#).
- Firstly, students who will go within the scope of education in **the fall semester** will be **nominated** of the **other universities**.
- Students who will benefit from internship mobility within the scope of **the 2024 project** must send their internship acceptance letters / invitation letters to **erasmus@medipol.edu.tr** by **November 1, 2024** at the latest. (The deadline and time for submitting an acceptance letter / invitation letter is **01.11.2024 23:59**). The project start date is **01/06/2024** and the end date is **31/07/2026**, so the acceptance letter that students will receive from the receiving institution should be prepared within this date range.
- **Nominations will be made through the address std.medipol.edu.tr. You can access it by logging in via Outlook.com. This e-mail address is your student's e-mail address, and all communications will be made through this.**

- According to the placement results, students who give up or do not want to attend the university they are placed in must notify their renunciation decision to [erasmus@medipol.edu.tr](mailto:erasmus@medipol.edu.tr) by **May 6, 2024**.

- Students who will continue their mobility according to the **grant/non-grant** status **may renounce their rights after the grant results are announced**.

- The announced results list is not the grant distribution results, it will be made after the grant is allocated to our University within the scope of the 2024 Project and after the information about the distribution is given. The exact date when the grant will be allocated to our university is unclear.

- After the completion of the annual contribution agreement between AB and Turkey, grant contracts are signed between our University and the Center, and grants are allocated to the University. During this period, all students who go abroad before this process will benefit from mobility without a grant, and visa letters and grant contracts will be arranged accordingly. At this stage, students cannot hold our University and the Center responsible for any expenses they incur

- **Orientation for outgoing students will be held through the Microsoft Teams system.**

- **Two sessions will be arranged for outgoing students for internship and study mobilities.**
