

Dear Students,

This survey was developed by Istanbul Medipol University Quality Commission-Quality Accreditation Office. The implementation, analysis and evaluation of the survey will be carried out by the same unit. This survey is conducted to improve and develop the Master's and PhD programs. In this context, it is important that your answers to the survey questions are sincere and reflect the truth in order to increase the quality of the existing programs and education and training activities in the Departments. The data collected through the survey form and your opinions and suggestions will be treated and evaluated in strict confidentiality. Do not enter any information about your identity.

Accordingly, various survey items were developed and presented below. Opposite each survey item, there is a 5-point Likert scale to reflect your degree of satisfaction. Please mark the items according to your level of satisfaction.

Protection of personal privacy is essential in the survey.  
Thank you for your contribution and support.
