

APPLICATION FOR THE THREE-COURSE EXAMINATION

- Students who have completed all requirements of their registered diploma program but have failed up to three courses after the make-up examinations may apply for the Three-Course Examination in order to graduate.
- Students who have failed due to attendance requirements or who have not completed their internship are not eligible to apply for the Three-Course Examination.
- The student submits this application petition together with an approved transcript or a transcript approved by their academic advisor.
- The student delivers all required documents to the relevant department/secretariat.
