

ANNOUNCEMENT

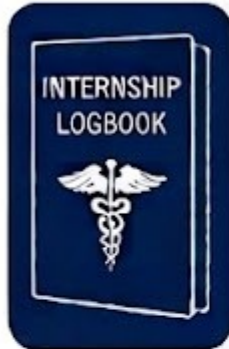

For the Attention of Our Istanbul
Medipol University Faculty of Medicine, Year 6 Students

The course selection screens for the 2026-2027 Academic Year, Year 6 courses, will remain open via the **MEBİS System** from **July 01, 2026 - July 14, 2026**.

Students who have completed the 2026-2027 academic year 6 tuition fee (academic year payment) will be able to perform course selection processes.

For students who have completed the course selection process, Internship Logbooks will be delivered by our Dean's Office against their signature within the course selection period.

The Internship Logbook has the nature of an **official and valuable document** in which the attendance status, night duties, and rotation success grades will be recorded during the internship period. For this reason, the logbook must be carefully preserved.

Students who do not complete their course selections within the announced dates **cannot be included in their internship rotations**, and they may experience delays in their training processes and graduation.

In order for our students not to experience any problems in their
